Zurich partners with AmWINS

BY AROUND THE INDUSTRY: NEW POLICIES

[Return To Article](#)

[Zurich in North America](#) announced its new relationship with wholesale broker AmWINS Group Benefits. This is the second relationship Zurich has formalized to further its ambitious growth plan in the program accident and health space.

Zurich has previously written accident and health insurance through corporate markets and other non-program approaches, but recently launched the mass consumer markets group to focus on affinity business to its programs area.
